Had my son's after wedding party here and it was amazing. The staff and owners were so nice and the food was delish! We will be back for future parties and of course dinners in their dining room. Get over there and try it - you won't be disappointed

~Rita W.

Had my son's 30th Birthday party last night at Campagna's restaurant. I first met with the owner who was phenomenal to say the least. Such a gentleman and business owner! The banquet room was set up beautifully and the food and buffet was simply outstanding! The service was top notch. The owner came down numerous times to check and make sure everything was fine. If I could give 100 stars that's what this restaurant would get! Thank you all for making my son's night a memorable one!
